## HONORING YESTERDAY'S HEROES Request Form

Honor Flight Pittsburgh also proudly honors deceased Veterans (or Veterans who are not physically able to travel to see their memorials). It is our desire to show the respect so richly deserved to the Veterans who never had the opportunity to visit their memorials. We fulfill this request during an Honor Flight Mission and photograph an American flag along with the Veteran's picture at their appropriate memorial. *Honoring Yesterday's Heroes* program was created to honor those veterans who are unable to visit their WWII, Korean, and Vietnam memorial(s) in Washington, D.C. This program is open to all veterans who served on active duty (and those who were activated), regardless of their duty assignment or location.

To participate in our *Honoring Yesterday's Heroes* program, please submit a digitize/scanned photograph of the veteran (preferably in uniform) during the time of their service and filled form via email to: [info@honorflightpittsburgh.org](mailto:info@honorflightpittsburgh.org) OR mail this completed form along with a physical 8x10 photograph. Smaller photograph sizes are accepted, but may look "grainy" enlarged to an 8x10.

Photographs may be original or a copy. Original photographs will be returned to sender once completed!
